HIPAA NOTICE

To Our Valued Clients:

We want you to know that all of our employees, managers, and doctors continually undergo training so that they may understand and comply with government rules and regulations regarding the Health Insurance Portability Act (HIPAA) with particular emphasis on the “Privacy Rule”. We strive to achieve the very highest standards of ethics and integrity in performing services for our clients.

It is our policy to properly appropriate use of PHI in accordance with the government rules, laws and regulations. We want to ensure that our practice never contributes in any way to the growing problem of improper disclosure of PHI. As part of this plan, we have implemented a Compliance Program that we believe will help us prevent any inappropriate PHI.

We also know that we are not perfect! Because of this fact, our policy is to listen to our employees and our patients without any thought of penalization if they feel that an event, in any way, compromises our policy integrity. More so, we welcome your input regarding any service problem so that we may remedy the situation promptly.

Thank you for being one of our valued clients.
